Parent Advisory Committee Mission, Vision, and Objective

School Mission:

To ready all graduates for post-secondary success by providing them an equitable, flexible, high quality and personalized virtual learning program.

School Vision:

To empower our students with an enthusiasm for lifelong learning and the G.R.I.T. needed to succeed in all post high school pursuits.

PAC Objective:

The School's Parent Advisory Committee role is to provide assistance to school administrators and educators relating to the LCAP, programs, activities, resources and services in order to help the school attain its goal of providing each child the best education possible.

■ What questions would you like to see?

- Deterville: Couldn't recall the questions but thought it would be a great idea to add questions and feedback from the previous PAC meeting. Thought it would be helpful to provide students and parents the opportunity to meet in person. Both post high school and while in high school. A youth co-hort would be beneficial.

- Ramos: Last meeting parents gave great ideas and she would like to see those ideas in the survey. She likes these meetings because she gets to know the staff and other school representatives.

- What information would be helpful?

1:16pm

- Ramos: Likes the material that is in there. She likes to see the LP calendar.
- Deeterville: She would like to see more post-secondary and graduation information. She wants to be bombarded with that information. The rebranding of the schools information and info regarding each of these schools would be helpful to see. There

are a lot of parents looking into non-conventional school settings and we should showcase that.

- Vega: Are school counselors able to help with registration?
- Fisher: Yes, absolutely! Teach them how to advocate for themselves and help them register for classes.
- Deterville: Helping students transition and access that intro to college course is so beneficial. Applications deadlines is due Nov 3 for 4 year colleges. So if I was in the

process of my FAFSA application do I need to redo it? The sooner the students apply, the higher the chances that they may receive money.

- Fisher: For students applying to 4 year college there is a fee waiver. Our partnership sister school has scholarships available to assist with fees and waivers. We want to develop post secondary workshops.
