- Next Meeting Date and Time
- Thank you!

○

- Mission/Vision/Objectives

The screenshot shows a Google Slides presentation titled "Parent Advisory Committee Mission, Vision, and Objective". The slide content is as follows:

- Mission:** To ready all graduates for post-secondary success by providing an equitable, flexible, high quality and personalized virtual learning program
- Vision:** To empower our students with an enthusiasm for lifelong learning and the G.R.I.T. needed to succeed in all post high school pursuits.
- Objective:** The school Parent Advisory Committee's role is to provide assistance to school administrators and educators relating to the LCAP, programs, activities, resources and services in order to help the school attain its goal of providing each child the best education possible.

The right side of the image shows a video conference interface with a participant list including "Miriam Jeong (...)" and "Participants" (8).

○ Feedback:

- Kristine- Amazing experience, hands on, nonstop texts, very communicative, In traditional schools teachers don't communicate. Teachers didn't put in effort the way they do here at Mission Academy. They know someone is on top of it and they can't get away with slacking.
- Miriam- Positive experience with teachers and all school staff. Her older one applied for college and needed lots of counseling/advising support. She received great support. She appreciates it.
- Ramsey- Having a team of people to come at her daughter's struggles from multiple angles is invaluable. She can reach out to any person on the team and does what

needs to be done to engage and re-engage her. Her daughter struggles to engage and loses focus. Her daughter loves communicating with her support team.

- Jesus- He is encouraged to keep doing his classwork. He got sick with covid and his mom was in hospital but counselors and teachers reached out to help push, support, and encourage him.

- LCAP Presentation – Funding, Goals, Objectives
- LCAP Goal 1 - Increase Academic Progress
- LCAP Goal 2 – Students Will Gain Skills for College and Career Readiness
 - Courses are A-G approved
 - Dual enrollment (35)
- LCAP Goal 3 – Increase Student Retention
 - Below 10% Dropout rate
- LCAP Goal 4 – Increase Stakeholder Engagement
 - Parent Teacher Conf 2x a year
 - Quarterly PAC Meetings
 - Parent Advisory Committee
- Feedback/Suggestions
 - Postsecondary options
 - Focus on LifeSkills
 - Career paths
 - Trade options
 - Workshops

- Executive Functioning Skills
 - Pinpoint Strengths and guide students towards that path
 - Job Shadow/Externship/Internship Opportunities
 - Making Internship Opportunities Available
 - USC- Angelinos- Volunteer opportunities
 - More involvement in school activities
 - More staff reaching out for school activities
- Comprehensive Support and Improvement(CSI) Review and Feedback
- 2022 California School Dashboard
- California Community Schools Partnership Grant
- School Survey Results-
 - Kristine: Chat GPT- AI plagiarized assignment detector
 - Xochitl: One class at a time is great! It really helps students struggling with personal things. Better than being in school all day with 6-8 classes. Review with students time management and executive functioning skills. Video games are time consuming! Help the students set time commitments to classes.
 - Jesus: Would love to be taught time management skills. How to balance your day.
- Next Meeting Date and Time- 6/9/2023 1pm-2pm
- Thank you!
