### **I. Welcome/Introductions**

- A. Heather Barnhart, Assistant Principal, welcomed students, staff, and families and reviewed the agenda for the meeting.
- B. HB instructed those on the call how to use the react, chat, and poll feature in Teams and they tested each one. She encouraged attendants to use reactions throughout the meeting to participate.

- C. HB explained the purpose of Town Hall meetings and their importance in sharing updates and obtaining feedback. The meeting also serves as an opportunity to showcase the achievements of students via GRIT awards.
- D. HB requested all attendants list their name (and role, as needed) in chat for attendance purposes
- E. HB reviewed highlights from Elev8's January graduation, which took place on January 25th, 2025, and shared a video highlight reel.
- F. HB announced that Elev8 schools have been awarded TREC (Trauma-Resilient Educational Communities) certification, indicating Elev8 schools are a safe, supportive, and resilient environment for all students. This accreditation ensures that all staff are equipped with the tools to support students who have experienced trauma.
- G. JU shared a poll requesting that attendants share one word that describes our school. The most frequently shared word was "supportive".

## **II. School Accountability Report Card (SARC)**

- A. HB shared purpose of SARC as a means of improving student experiences and school accountability.
- B. HB explained that there would be several areas of focus in today's review, but that all information is available to be reviewed by all stakeholders. Data shared in SARC is from 2022-2023 and 2023-2024

## **III. School Dashboard Results**

- A. JU explained purpose of California School Dashboard provides meaningful school information as a means of improving student learning. She outlined that Elev8 schools is a dashboard alternative school, meaning that we have been approved by our authorizer to use alternative metrics outside of the dashboard.
- B. JU explained the rating scale on the dashboard, as well as how those ratings are determined and what the color rankings indicate.
- C. JU acknowledged that the English Learner Progress rating did decline, but noted that there was an influx of English Learners during testing

window last school year and that double the number of students than had been the year before.

- D. College and Career Readiness rating increased by 2.4%
- E. JU mentioned that Paseo Grande metrics are gray due to the size and recency of the charter. It is anticipated that comparative data for the school will be available for this school year.

#### **IV. Mid-year LCAP Review**

- A. JU outlined how the school has to solicit feedback from education partners (this includes students, PCGs, staff) as well as the school board each year and provide updates to yearly goals and metrics.
